

Mission

Mary Baldwin empowers leaders to pursue lives of purpose in a changing world.

Vision

Mary Baldwin University will be an innovative national model for transforming inclusive leaders to create value and meaningful change.

2020-2021 University Goals

- ① Support and sustain our mission and community (students, faculty, staff, alumni and partners) as MBU navigates the COVID-19 pandemic and advances our commitment to racial and social justice.
- ② Re-Envision MBU post-pandemic and update *MBU 2025*, drawing upon our foresight and entrepreneurial spirit.
- ③ Build upon our capacity to deliver blended/hybrid education as a university signature.
- ④ Become the university that can meet these goals by advancing organizational effectiveness to operationalize our strengths and create synergies.
