

MBU 2025 2022-23 University Goals

- 1. Guide a successful presidential transition and appoint MBU's 10th president.**
 - a. Honor President Fox's tenure.
 - b. Execute the timeline for the presidential search led by Academic Search Consultants and the Presidential Search Committee. Update and engage the broad community throughout the process.

- 2. Implement the four-year financial and strategic imperatives.**
 - a. Complete the Fox Futures Initiative as a philanthropic basis for the plan.
 - b. Set in motion all strategies and tactics to regain enrollment growth, achieving the specific targets for new students and increased retention/student success for residential, online, and MDCHS for fall 2023

- 3. Advance the new centralized university structure.**
 - a. Establish the University Center for Life Success.
 - b. Support the three colleges as they become entrepreneurial centers with programmatic and enrollment goals.
 - c. Launch our new branding platform and website.

- 4. Support and engage our community and our alumni.**
 - a. Set multi-year plans for compensation improvement for salary and staff.
 - b. Engage alumni in the presidential transition and conduct a series of virtual and in-person events.
