7 Be it enacted by the General Assembly of Virginia:

8 1. That the Code of Virginia is amended by adding in Chapter 1 of Title 23 sections numbered
9 23-9.2:15, 23-9.2:16, and 23-9.2:17 as follows:

10 § 23-9.2:15. Reporting of acts of sexual violence.

11 A. For purposes of this section:

12 "Campus" means (i) any building or property owned or controlled by an institution of higher
13 education within the same reasonably contiguous geographic area of the institution and used by the
14 institution in direct support of, or in a manner related to, the institution's educational purposes,
15 including residence halls, and (ii) any building or property that is within or reasonably contiguous to
16 the area described in clause (i) that is owned by the institution but controlled by another person, is
17 frequently used by students, and supports institutional purposes, such as a food or other retail vendor.

18 "Noncampus building or property" means (i) any building or property owned or controlled by a
19 student organization officially recognized by an institution of higher education or (ii) any building or
20 property owned or controlled by an institution of higher education that is used in direct support of, or
21 in relation to, the institution's educational purposes, is frequently used by students, and is not within the
22 same reasonably contiguous geographic area of the institution.

23 "Public property" means all public property, including thoroughfares, streets, sidewalks, and parking
24 facilities, that is within the campus, or immediately adjacent to and accessible from the campus.

25 "Responsible employee" means a person employed by a public institution of higher education or
26 private nonprofit institution of higher education who has the authority to take action to redress sexual
27 violence, who has been given the duty of reporting acts of sexual violence or any other misconduct by
28 students to the Title IX coordinator or other appropriate institution designee, or whom a student could
29 reasonably believe has this authority or duty.

30 "Sexual violence" means physical sexual acts perpetrated against a person's will or where a person
31 is incapable of giving consent.

32 "Title IX coordinator" means an employee designated by a public institution of higher education or
33 private nonprofit institution of higher education to coordinate the institution's efforts to comply with and
34 carry out the institution's responsibilities under Title IX (20 U.S.C. § 1681 et seq.). If no such employee
35 has been designated by the institution, the institution shall designate an employee who will be
36 responsible for receiving information of alleged acts of sexual violence from responsible employees in
37 accordance with subsection B.

38 B. Any responsible employee who in the course of his employment obtains information that an act of
39 sexual violence may have been committed against a student attending the institution or may have
40 occurred on campus, in or on a noncampus building or property, or on public property shall report
41 such information to the Title IX coordinator as soon as practicable after addressing the immediate
42 needs of the victim.

43 C. Upon receipt of information pursuant to subsection B, the Title IX coordinator or his designee
44 shall promptly report the information, including any personally identifiable information, to a review
45 committee established pursuant to subsection D. Nothing in this section shall prevent the Title IX
46 coordinator or any other responsible employee from providing any information to law enforcement with
47 the consent of the victim.

48 D. Each public institution of higher education or private nonprofit institution of higher education
49 shall establish a review committee for the purposes of reviewing information related to acts of sexual
50 violence, including information reported pursuant to subsection C. Such review committee shall consist
51 of three or more persons and shall include the Title IX coordinator or his designee, a representative of
52 law enforcement, and a student affairs representative. If the institution has established a campus police
53 department pursuant to Chapter 17 (§ 23-232 et seq.) of this title, the representative of law enforcement
54 shall be a member of such department, otherwise the representative of law enforcement shall be a
55 representative of campus security. The review committee may be the threat assessment team established
56 under § 23-9.2:10 or a separate body. The review committee may obtain law-enforcement records,

57 criminal history record information as provided in §§ 19.2-389 and 19.2-389.1, health records as
 58 provided in § 32.1-127.1:03, available institutional conduct or personnel records, and known facts and
 59 circumstances of the information reported pursuant to subsection C or information or evidence known to
 60 the institution or to law enforcement. The review committee shall be considered to be a threat
 61 assessment team established pursuant to § 23-9.2:10 for purposes of (i) obtaining criminal history
 62 record information and health records and (ii) the Virginia Freedom of Information Act (§ 2.2-3700 et
 63 seq.). The review committee shall conduct its review in compliance with federal privacy law.

64 E. Upon receipt of information of an alleged act of sexual violence reported pursuant to subsection
 65 C, the review committee shall meet within 72 hours to review the information and shall meet again as
 66 necessary as new information becomes available.

67 F. If, based on consideration of all factors, the review committee, or if the committee cannot reach a
 68 consensus, the representative of law enforcement on the review committee, determines that the disclosure
 69 of the information, including personally identifiable information, is necessary to protect the health or
 70 safety of the student or other individuals as set forth in 34 C.F.R. § 99.36, the representative of law
 71 enforcement on the review committee shall immediately disclose such information to the law-enforcement
 72 agency that would be responsible for investigating the alleged act of sexual violence. Such disclosure
 73 shall be for the purposes of investigation and other actions by law enforcement. Upon such disclosure,
 74 the Title IX coordinator or his designee shall notify the victim that such disclosure is being made. The
 75 provisions of this subsection shall not apply if the law-enforcement agency responsible for investigating
 76 the alleged act of sexual violence is located outside the United States.

77 G. In cases in which the alleged act of sexual violence would constitute a felony violation of Article
 78 7 (§ 18.2-61 et seq.) of Chapter 4 of Title 18.2, the representative of law enforcement on the review
 79 committee shall inform the other members of the review committee and shall within 24 hours consult
 80 with the attorney for the Commonwealth or other prosecutor responsible for prosecuting the alleged act
 81 of sexual violence and provide to him the information received by the review committee without
 82 disclosing personally identifiable information, unless such information was disclosed pursuant to
 83 subsection F. In addition, if such consultation does not occur and any other member of the review
 84 committee individually concludes that the alleged act of sexual violence would constitute a felony
 85 violation of Article 7 (§ 18.2-61 et seq.) of Chapter 4 of Title 18.2, that member shall within 24 hours
 86 consult with the attorney for the Commonwealth or other prosecutor responsible for prosecuting the
 87 alleged act of sexual violence and provide to him the information received by the review committee
 88 without disclosing personally identifiable information, unless such information was disclosed pursuant to
 89 subsection F.

90 H. At the conclusion of the review, the Title IX coordinator and the law-enforcement representative
 91 shall each retain (i) the authority to proceed with any further investigation or adjudication allowed
 92 under state or federal law and (ii) independent records of the review team's considerations, which shall
 93 be maintained under applicable state and federal law.

94 I. No responsible employee shall be required to make a report pursuant to subsection B if:

95 1. The responsible employee obtained the information through any communication considered
 96 privileged under state or federal law or the responsible employee obtained the information in the course
 97 of providing services as a licensed health care professional, an employee providing administrative
 98 support for such health care professionals, a professional counselor, an accredited rape crisis or
 99 domestic violence counselor, a campus victim support personnel, a member of clergy, or an attorney; or

100 2. The responsible employee has actual knowledge that the same matter has already been reported to
 101 the Title IX coordinator or to the attorney for the Commonwealth or the law-enforcement agency
 102 responsible for investigating the alleged act of sexual violence.

103 J. Any responsible employee who makes a report required by this section or testifies in a judicial or
 104 administrative proceeding as a result of such report shall be immune from any civil liability alleged to
 105 have resulted therefrom unless such person acted in bad faith or with malicious intent.

106 K. The provisions of this section shall not require a person who is the victim of an alleged act of
 107 sexual violence to report such violation.

108 L. The institution shall ensure that a victim of an alleged act of sexual violence is informed of (i)
 109 the available law-enforcement options for investigation and prosecution; (ii) the importance of
 110 collection and preservation of evidence; (iii) the available options for a protective order; (iv) the
 111 available campus options for investigation and adjudication under the institution's policies; (v) the
 112 victim's rights to participate or decline to participate in any investigation to the extent permitted under
 113 state or federal law; (vi) the applicable federal or state confidentiality provisions that govern
 114 information provided by a victim; (vii) the available on-campus resources and any unaffiliated
 115 community resources, including sexual assault crisis centers, domestic violence crisis centers, or other
 116 victim support services; and (viii) the importance of seeking appropriate medical attention.
