THE CAPSTONE FESTIVAL is the premier showcase for undergraduate student academic work at MBU. Students may be nominated for their senior project, honors thesis, or special undergraduate research project. Participants share the results of their efforts with faculty, students, alumnae and alumni, board members, and members of the local community. This year's Festival will be held on **THURSDAY, MAY 11, 2017**, beginning in the early afternoon and concluding with a Celebration in the early evening, when nominees and participants will be honored and special awards made. **ALL ARE INVITED!**
