COLLEGE OF  
HEALTH SCIENCES

## Clinical Education: Doctor of Physical Therapy

Welcome to Murphy Deming College of Health Sciences at Mary Baldwin University. The Clinical Education Team looks forward to working with you throughout your time at MBU.

DPT students will have a total of 40 weeks of full-time clinical experience as well as several ½-day, integrated clinical experiences which are linked to courses. Your first ½-day clinical experiences will start as soon as the Fall of your 1st year.

**Step One:** To take part in clinical experiences, you must complete your health forms A-E. If you have questions about these forms please contact Exxat Approve at [approve@exxat.com](mailto:approve@exxat.com) or MDCHS Admissions at [mdchsadmit@marybaldwin.edu](mailto:mdchsadmit@marybaldwin.edu).

**Step Two:** The clinical education team will meet with you in the Fall of your 1<sup>st</sup> year to discuss the details related to clinical education. Students will also have the opportunity to share their areas of interest as well as select from available sites for each of their full-time clinical rotations.
